

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA00175WI

This certificate, issued to:

Midcoast Aviation, Inc.
#14 Archview Drive
Cahokia, IL 62206

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations

Original Product - Type Certificate Number: A27CE

Make: Cessna

Model: 501, 551

Description of Type Design Change:

Installation of Bellows assembly in pneumatic system in accordance with Midcoast Aviation Inc. Installation Drawing Number 54-353F001, Revision B, or later FAA approved revision.

Limitations and Conditions:

This approval should not be extended to airplanes on which other previously approved modifications are incorporated, unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 14, 1993

Date reissued: January 2, 2003

Date of issuance: July 22, 1994

Date amended:

By direction of the Administrator:
